

Welcome to the playground

- 1 Welcome Packet**
We gather general information to get to know your family's needs.

- 2 Diagnostic Evaluation**
This evaluation is only needed if there is not yet a diagnosis of Autism.

- 3 Informational Intake Meeting**
We share our services and treatment approach with you.

- 4 Clinical Evaluation/Orientation**
You meet members of your clinical team and start the treatment planning process.

- 5 Start of Services**
The best part of the adventure begins.
